TRAINED AND CERTIFIED

Greenday is the first in Ireland with an in-house 'school of drainage'. We train operators and engineers in all aspects of drainage works. This includes installation, cleaning, maintenance, repair and also covers WRC/WTI in Pipe/Brick surveying and in asbestos awareness. Training prepares operators to meet the requirements of 'The Drain Repair Book' published by WRC in conjunction with the Insurance industry.

CERTIFICATIONS

- ISO 9001 Certification – Quality Management
- ISO 1400 - Environmental Management
- OHSAS 18001 - Health & Safety Management
- Asbestos Awareness
- C2 registered for sub-contractors
- OS21X Brick Sewer Condition Classification, Water Training International
- Expert witness court services
